## Admission assignment

The main purpose of the admission assignment is for you to account for and reflect on why you have chosen to apply for admission to the purchasing management programme at VIA Design. Your task is to convince VIA Design that you have the motivation and commitment required to participate in and complete the course programme.

Your admission assignment should cover the following:

- Why do you apply for admission to the purchasing management programme?
- Why is the purchasing management programme particularly attractive and/or important to you?
- Which subject areas of the purchasing management programme are you most interested in and why?
- Mathematics and numerical calculation are key elements of the course programme. How would you assess your mathematics and numerical calculation competences?
- How will you be able to contribute to the purchasing management programme?
- Do you have any previous and relevant experience in the subject area of purchasing management? If yes, please specify.
- How will the course programme in purchasing management support your career goals?

The maximum length of the admission assignment is approx. two standard pages of 2200 typing units each (excluding spacing).

Have fun preparing your admission assignment.
