

# AP Degree Programme in Design, Technology and Business Admission Assignment – September 2015

Retail Design and Management

## Practical information

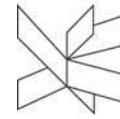

The admission assignment must be submitted electronically. Therefore, please scan your material into one document and e-mail it to [applica.ak@via.dk](mailto:applica.ak@via.dk).

**Your application may be declined if your admission assignment is not filed in one document.**

Your admission assignment will be assessed, and you will be enrolled in VIA Design course programme if your admission assignment complies with our admission requirements. You may be asked to take part in an interview as well.

## Important deadlines

15 March	The admission assignment must be submitted to <a href="mailto:applica.ak@via.dk">applica.ak@via.dk</a> electronically
23 March - 1 May	Skype interviews
1 - 5 June	Applicants will be given notice of admission, waiting list or rejection by e-mail

## Admission assignment

The main purpose of the admission assignment is for you to account for and reflect on why you have chosen to apply for admission to the retail design and management programme at VIA Design. Your task is to convince VIA Design that you have the motivation and commitment required to participate in and complete the course programme.

Your admission assignment should cover the following:

- Why do you apply for admission to the retail design and management programme?
- Why is the retail design and management programme particularly attractive and/or important to you?
- Which subject areas of the retail design and management programme are you most interested in and why?
- How will you be able to contribute to the retail design and management programme?
- Do you have any previous and relevant experience in the subject area of retail design and management? If yes, please specify.
- How will the course programme in retail design and management support your career goals?

The maximum length of the admission assignment is approx. two standard pages of 2200 typing units each (excluding spacing).

Have fun preparing your admission assignment.
